CERTIFICATE

Information Security Management System ISO/IEC 27001:2022

The Austrian Computer Society (OCG) certifies that the implementation and continuous improvement of an Information Security Management System (ISMS) of the Certified Organisation (stated below) complies with the requirements of ISO/IEC 27001:2022.

Certified Organisation:

MAVOCO

MAVOCO AG
Thomas-Alva-Edison-Straße 2, 7000 Eisenstadt

Certified location, products, processes, services and scope:

Entire MAVOCO AG in 7000 Eisenstadt, 1070 Vienna and 9020 Klagenfurt (all in Austria) and the polish sister company in Warsaw.
MAVOCO develops and sells a carrier-grade software platform for mobile operators and IoT enterprises. This platform is operated either by the customers themselves or by MAVOCO on their behalf.
The scope includes the entire software development lifecycle, SW-testing, deployment, operations and support as well as internal departments such as sales, finance, and HR.

Date of initial certification: 02.04.2024

Expiry Date: 01.04.2027

Certificate No: 024/1_2024

For and on behalf of the Austrian Computer Society (OCG)

Vienna, 2nd April 2024
